November has been a very busy month.

We started the month off with our Educator's Night. There was an excellent turn out of the schools in our area. Tom did an excellent job as our M.C. He was able to step in for our expected speaker. He indentified the schools and stated our request for food for the Christmas Baskets. The program was well received and we received some good feedback.

Lion Paul made his reminder about our need and pick-up schedules for the Christmas Food Baskets.

We had a regular active Board Meeting with a review of outstanding issues. All that were listed by the Secretary were discussed with some of them being closed.

Unfortunately, I had to announce that we would not have a Children's Christmas Party. The input that I received was that the prior year was not a success. The idea is good but it needs to be re-evaluated and exposure revamped.

The District Governor, Bill Thomas made his Official Visitation for this year. He outlined his Motto for His year. He presented a concise speech which was to the point. I hope he enjoyed his visit to our Club as much as we enjoyed his visit with us. We wish him continued success in His year as Governor.

The Christmas Party will be on December 12th. Many thanks to Lions Alice, Woody, Betty, George and the Wood's daughter Carol. Receveur Hall has received a Christmas Spirit. Lion Betty has planned a very good menu. We will have music, and Santa. Should you not be able to attend, you will miss a good evening.

The Constitution- By Laws Committee will hold a meeting and will make a report at the Director's Meeting. We will, I hope, get a report to finalize the Gators Contract.

The Craft Fair Committee will hold a meeting to get started on the Spring Craft Show and do some work on the Fall Show.

Lion Charles Sweeney is improving from his emergency surgery. He will be back with us soon. He wishes to thank the Brandywine Lions Club for their concern, remembrance and wishes.

This is the last Program Bulletin for 2009. I wish to thank my club members for their support and help. Have a Happy Holiday Season with wonderful cheer. Enjoy the New Year entrance with safety, care and enjoyment.
